

Job Openings for April 12, 2019

Huntsville

Facilities/Maintenance/Safety Manager – 1 position

The Maintenance/Facilities Manager is responsible for managing the maintenance program and all equipment related to production and operations.

Cabinet & Closet Warehouse Associate – 1 position

The Warehouse Associate will support receiving, warehousing, and distribution operations in the closet warehouse. The Associate will pull materials for orders, measure, cut, assemble and pack them for delivery.

Outside Sales Account Manager – 1 position

The Account Manager will sell lumber and building materials to local builders and remodelers. The Account Manager will build new customer relationships and manage the sales process from start to finish.

Inside Sales Representative – 1 position

The Inside Sales Representative will be responsible for sales and service at the sales counter and answering sales calls, proactively gaining and maintaining new accounts, completing home and garage take-offs, completing door and window sales.

Millwork Dock Associate – 2 positions

Dock associates assist with shipping and receiving in Millwork. They are responsible for customer service; timely, damage-free, and safe loading and unloading of inventory; and reading paperwork/orders.

Millwork Production Associate – 3 positions

Door shop laborer applies trim legs and head to door unit with nail gun, while inspecting the entire unit for quality.

Assistant Dispatcher/Driver – 1 position

The function of the Assistant Dispatcher is to provide leadership and oversight responsibility for our fleet of local drivers and support team at our HSV location in conjunction with and in the absence of the dispatcher. Assistant dispatcher will also be responsible for "Fill In" or Hot Shot" deliveries to our customers.

Project Coordinator – 1 position

The Project Coordinator provides administrative assistance and support to our Commercial Sales Team. The Project Coordinator will work directly with team management to ensure that all the administrative and support functions of the sales department are operating effectively.

Accounts Payable Specialist – 1 position

The Accounts Payable Specialist processes supplier invoices to ensure timely payment and accurate documentation and records. The Accounts Payable Specialist assists with month end analysis and reconciliation.

Millwork Quality Control Inspector – 1 position

The Quality Control Inspector maintains quality standards by approving in-process production, finished products (Interior and Exterior Door Units), and recording quality results using Wilson Lumber SOP for Door Shop manufacturing.

Closet & Shower Doors Sales Specialist – 1 position

The Outside Sales Closet Specialist is responsible for customer service in closets, mirrors, bath hardware and shower door sales; measuring, designing and computer entry of orders.

Yard Associate – 1 position

Yard associates are responsible for providing excellent customer service while handling merchandise, unloading or loading trucks, and waiting on customers.

Driver – 3 positions (Class A or B CDL required)

Delivery drivers will deliver windows, doors, lumber and materials. Drivers may be driving box trucks or flatbed trailers.

Wilson Lumber employees interested in applying should send resumes to HR.

Please contact Human Resources with questions (hr@wilsonlumber.net).
