

## **Current Job Openings**

### **Huntsville**

#### **IT Application Software Manager – 1 position**

The IT Applications Manager maximizes Wilson Lumber productivity opportunities by developing tools and managing current & future applications which run the business. This position is an in-depth, hands-on technical and leadership role, which will have visibility at all levels of the company.

#### **Installed Sales Coordinator – 1 position**

The Installed Sales Coordinator is responsible for coordination of subcontractors, implementing policies and procedures for quality and customer service and scheduling installs in coordination with installers, sales and customers.

#### **Loadmaster – 1 position**

The Loadmaster is responsible for the loading of materials on delivery trucks in a safe and timely manner.

#### **Installer – 1 position**

The Installer is primarily responsible for on-site service and repair of doors and windows, based on an assigned schedule. Additionally, they are responsible to ensure that all product testing, troubleshooting, and repair are completed properly, to the satisfaction of our customers, and in accordance of manufacturer's specifications.

#### **Millwork Production Associate – 1 position**

Door shop associate applies trim legs and head to door unit with nail gun, while inspecting the entire unit for quality.

#### **Millwork Dock Associate – 2 positions**

Dock associate loads and unloads doors, windows, trim, and building materials; helps to maintain an accurate inventory; and completes paperwork timely and accurately.

#### **Yard Associate – 3 positions**

Yard associates are responsible for providing excellent customer service while handling merchandise, unloading or loading trucks, and waiting on customers.

#### **Driver Helper – 3 positions**

Driver helpers assist with loading and unloading the delivery of building materials, doors and windows.

#### **Driver – 1 position (Class A or B CDL required)**

Delivery drivers will deliver windows, doors, lumber and materials. Drivers may be driving box trucks or flatbed trailers.

**Wilson Lumber employees interested in applying should see Erica Lovell in HR.**

**Please contact Human Resources with questions ([hr@wilsonlumber.net](mailto:hr@wilsonlumber.net)).**

**Candidates can apply at [wilsonlumber.net/careers](http://wilsonlumber.net/careers).**

## **Challenge Yourself to Grow**

### ***Sign up now for the Wilson Lumber Driver Training Program***

Do you ever see the big Wilson Lumber trucks moving around the yard and making deliveries and think, *"Man, I wish I could do something like that, but I don't have the training or the money to pay for training."*

### **Good news!**

The Wilson Lumber Driving Training Program could be for you! The program is designed to financially assist Wilson Lumber employees interested in obtaining a CDL license and becoming a Wilson Lumber truck driver. Admittance to the program is considered on a case-by-case basis, depending on the company's anticipated future needs, your overall work record, and a clean driving record. If you are interested in learning more about this growth opportunity, contact Debbie

Shores in Human Resources at (256) 851-1892.
